Gateway PGA Player Development Partner Program

The **Player Development Partner Program** is a set of offerings for PGA facilities that package and elevate player development resources and continuing education opportunities for PGA professionals through a partnership program with the Gateway PGA Section.

Member Benefits

Gateway PGA Professionals benefit from Gateway resources of dedicated hands-on program/event assistance, access to player development and junior golf equipment, pre-paid admittance to

several Section-based continuing education opportunities, and other additions.

Funds from the Player Development Partner Program will be used to further Player Development Resources for Gateway PGA Professionals, such as:

- ✓ Equipment and Inflatables available for rent
- ✓ Satellite equipment rental/storage locations outside the St. Louis area

Three levels of partnership are available: \$1000 Level, \$500 Level, and \$150 Level

Upon receipt of your donation and participation in the Gateway PGA Player Development Partner Program you will be sent communication recognizing and confirming your partner level. We would love to know about any Player Development plans you have for 2018 and how the Section may help. Additionally, you will be sent communication about what is included in your specific partner level and reminders about admission inclusions to Section events.
