### Rental Terms and Conditions

The Professional shall contact the Gateway PGA Section Office prior to renting the desired equipment to ensure availability and quantity. The Professional shall pick up and return the rented equipment to the Gateway PGA Section Office on or before the above date. When the Professional is in possession of the equipment, he/she is responsible for it. Any damage or breakage done to the equipment while in the possession of the Professional is the responsibility of the Professional to replace. These terms are accepted by the Professional upon acquisition of the equipment.
