Gateway PGA Tournament Policies & Procedures

Tournament Registration

All tournament registration must be done through the Junior Golf webpage. Juniors may play in as many events as they desire. A player may only register for tournaments their division is eligible to compete in.

There will be **NO LATE REGISTRATIONS** accepted.

Deadlines for tournament registration are as follows:

- **Summer Events:** Tuesday at Midnight for Monday, Tuesday and Wednesday events. Thursday at Midnight for Thursday and Friday events. (all the week prior)
- **Spring and Fall Events:** Tuesday at Midnight the week before the event.

Tournament registration is on a first-come, first-serve basis. Players are automatically added to the pending list upon registering. Each tournament payment must be accepted manually. You will receive a second email indicating your registration status: confirmed or waitlist. It may take up to 2-3 days for your email confirmation of acceptance into an event. We appreciate your patience.

Your entry fee payment will remain as pending and your credit card will not be charged until your registration has been approved.

Wait List Policy

At times throughout the season, the Gateway Junior PGA experiences more registrants for a tournament than the event can accommodate. For this reason, the Gateway Junior PGA allows for additional registrants to be put on a wait list on a first-come, first-served basis for each tournament once the maximum field size has been reached. Each online registrant will be notified via email that they have been placed on a wait list.

Please note: Notification of opportunity to compete for wait list registrants often occurs with late notice. Registrants moved off the wait list will be contacted by the Junior Golf Coordinator as quickly as

possible. However, withdrawals and/or cancellations usually occur within 1 week of the tournament date, if 1-2 days before the tournament due to illness, injury, or family emergency.

All Wait List decisions are at the discretion of the Junior Golf Manager.

If you are on the Wait List, please adhere to the following procedures:

- More than 3 days prior to the tournament date, please limit the number of phone calls emails sent to the Junior Golf Manager regarding your position on the waitlist & checking the availability of an event.
- If you wish to remove your name from the Wait List, please notify the Junior Golf Manager at 636-486-4069 or via email (nlong@pgahq.com).

Playing Up an Age Division or Switching Divisions During Season

The following protocols on switching division are in put in place to maintain consistent & fair competition fields throughout the season and to provide a tournament environment best suited for player development.

A player may play up an age division if they are able to maintain a competitive score for the division that they wish to play up in. Once a player decides to play up an age division, **they may NOT go back to the original age division that they started in.** A player who wishes to switch divisions during a season may do so as well. They must be able to maintain the requirements for these divisions. Players are **NOT allowed to switch to a lower division; they may only switch to a higher one.**

Once a player plays up in age or a player switches a division, they may not go back down in age or division. Also, when a player switches divisions and ages they forfeit the Player of the Year points accumulated up until that point and championship qualifying status.

Juniors may play up an age division or switch divisions during the **season by recommendation of the Gateway PGA Junior Manager.** Players & parents are welcome to discuss and request switching divisions at any time. However, the Junior Golf Manager reserves right to deny a player's request to play up.

In the case that severe weather enters the forecast, we will still proceed with the event and attempt to complete the event AT ALL COSTS. With fairness & safety as our priority, every effort within reason will be made to complete the competition.

All weather cancellations or delays will be communicated via email & text updates.

We will do our best to call the event NO LATER than one hour prior to the first tee time for the day.

Please see the following for specific weather procedures:

Cold & Freezing Conditions:

(Spring & Fall Seasons).

- The Gateway PGA Junior Tour **will begin considering cancelations for low temperatures when the projected forecast is approximately 40 degrees (F) or below**
- Please note additional factors will be considered when making cancelation/postponement decisions due to cold temperatures. This includes course playability, ground conditions, sunny/overcast, rain, wind, etc.
- In cold temperatures, morning frost delays (due to frost on the greens) may be possible as well.
- We will do our best to call the event NO LATER than one hour prior to the first tee time for the day
- Delays & Cancelations will be communicated as quickly as possible via email and text updates.
- It is the responsibility of the players to be prepared with the proper equipment & apparel to play in cold weather conditions
- Suggested Cold Gear: thermal base layers, thermal outerwear jacket and/or vest, thermal golf pants, winter socks, cold weather golf gloves, cart mittens, hand warmers, beanie or thermal headband
 - Dress in layers when possible as temperatures often rise throughout the round

Severe Weather Conditions:

- If golf course conditions remain playable, play will always continue in the case of only rain.
- Gateway PGA Junior Tour staff is always monitoring weather conditions to ensure players' safety in the chance of severe weather.
- Due to differences in course layouts and available weather shelters, procedures for severe weather delays will vary by facility. Please see the local rules or Junior Tour staff for procedures for severe weather delays course evacuations. **In the event of a severe weather delay, players & spectators will be immediately notified by an air horn blast and email/text updates.** Continue play if these notifications have not been made.
- Please note: By the USGA Rule of Golf, temporary water is an abnormal course condition and is not treated as part of the challenge of playing the course. **Players are allowed free relief when there is interference by an abnormal course condition except in a penalty area.**

Rule 16.1: Relief from Temporary Water (Abnormal Course Conditions)

(a) When Relief is Allowed

- **Meaning of Interference by Abnormal Condition:**
 - The player's ball touches or is in or on the abnormal ground condition,
 - The abnormal ground condition interferes with the player's area of intended stance or area of intended swing, or
 - Only when the ball is on the putting green, the abnormal course condition on or off the putting green intervenes on the line of play
 - *If the abnormal course condition is close enough to distract the player but does not meet any of these requirements, there is no interference under this Rule & free relief is not permitted.*
- **Relief is allowed anywhere on the course except when ball is in a penalty area**

- **No free relief is allowed when it is clearly unreasonable** (i.e. unable to make a stroke because ball is in a bush or the temporary water only exists because a player pushed on the ground)

(b) [Click Here](#) for how to properly take relief from an abnormal course condition.

High Temperatures & Heat Indexes:

- Gateway PGA Junior Tour events will **NOT** be canceled due to high temperatures and heat indexes.
- Gateway PGA Junior Tour staff will make water available throughout the course for juniors, however it is the players' responsibility to be prepared to play in warm weather conditions.

Guidelines & Tips for Stay Safe in Warm Conditions:

1. Drink Plenty of Water: Players should drink plenty of water (and/or sport drink) before, during, and after their round. Water & sports drinks will be available on the course and for purchase at the golf facilities, however it is the players' responsibility to be sure they have water on the course. It is best that players bring their own bottle so that they can refill them throughout the day. Freeze your water bottles the night before or use an insulated to keep your water cool!

- Parents/spectators may provide water for Junior Tour players. However, in doing so they should still follow spectator code of conduct and not interact with the players during the competition. Spectators may leave water for players on their next tee, next to their golf bag, etc.

2. Start Drinking Additional Water and/or Gatorade the Night Before!

3. Protect Yourself from the Sun!

- Players should bring their own sunscreens & reapply at least every 1-2 hours.
- Wear SPF protective clothing, hats, sunglasses, use a sun umbrella, etc.
- Seek shade on the course when possible (without slowing down pace of play)

4. Wear Cool Golf Apparel: Wear loose fitting & light-weight clothing and choose light colors

5. Be Sure to Still Eat & Fuel Your Body: It can be easy to lose an appetite in the warm temperatures. Players should be sure they continue following their normal eating & fueling habits throughout the round in order maintain proper nutrition & stay safe!

Policy for Event Cancellations

In the case of a full cancellation, participants will be fully refunded event registration fees or will be allowed to transfer their fees into another event that is not filled at no additional charge.

The Junior Golf Manager will send an email to all participants with information regarding refund procedures. The email will include the date that refunds will be processed.

Players DO NOT need to take any action to receive a refund for the canceled event .

If a player wishes to transfer to another event instead of receiving a refund, the junior **MUST** notify the Junior Golf Manager (nlong@pgahq.com or 636-486-4069) prior to this date. The event must still be open for registration and not yet be filled.

Conduct of Players and Spectators

Conduct of Players

ZERO TOLERANCE POLICY: Inappropriate behavior by any junior, witnessed by our staff, fellow competitor, or employee of the host facility will result in the player immediately being disqualified from the current event and their next event without a refund.

Inappropriate behavior could include, but is not limited to: the use of improper language, dressing in non-golf attire, throwing clubs, damaging the course, failure to repair ball marks on the greens or replace divots on the course, cheating, talking while a fellow competitor is playing a shot, knowingly violating the rules of golf, affecting play of another, overall display of poor sportsmanship or the use of tobacco, alcohol or illegal drugs.

Conduct of Spectators

Spectators are welcomed and encouraged to attend all Gateway PGA junior golf events.

Rules for spectators are as follows:

1. **Advice** (Rule 8) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice.
 - **Penalty:** 2 strokes on the Player
 - This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is 2 strokes.
 - Players are responsible for the actions of their relatives and spectators regarding this rule.
 - Example of Advice: “Take an Unplayable Lie”, “Take two club lengths”, “Hit a 5 wood”, “Keep your head down”, “Do not hit that”, “Go for the Green”
 - Public information such as yardage and Hole Location is not considered advice.
 - Keeping the above in mind, keep your conversation with player to words of encouragement as long as advice is not given.
2. Please turn off all cell phones or turn your ringer to silent or vibrate mode while on the course.
3. Spectators must always remain on the cart paths ! Spectators must remain a minimum of 50 yards from players at all times. (Please see the below for the ONLY exception).
4. Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls in overgrown and hazardous areas BUT must immediately return to the cart path once the ball has been found.
5. Spectators should not give rulings. Please seek a marshal or rules official if the need arises.
6. Spectators are allowed to carry a player’s medicine, drinks, food, umbrellas, etc. With the exception of parent caddies (JDT, 9-Hole 9 & Under & 10-11 divisions ONLY), spectators are not allowed to carry a player’s golf clubs/equipment.
7. The Rules Official may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility.
8. For your personal safety, we ask you exercise caution at all times. When inclement weather moves into the area, play will be suspended, and you should seek shelter immediately. Players will be evacuated from the course first and then spectators.
9. Spectators must NEVER transport players during the event unless authorized to do so by the committee. Transporting a player can result in the player being disqualified.

The Gateway PGA Staff reserves the right, without warning, to remove any Spectator to leave the facility at any time for an infraction of these rules.

Cheating and Dishonesty

The Gateway Junior PGA has a **ZERO TOLERANCE** cheating policy:

- Any player who witnesses a fellow competitor cheating or committing a rules infraction is to notify their playing group and the player who committed the infraction. Juniors are to report rules infractions IMMEDIATELY to the Gateway Junior PGA Staff.
- If a Gateway PGA Staff Member witnesses cheating or a rules infraction, they will approach and disqualify the player immediately.
- Any Spectator who is caught cheating for their player will result in automatic removal from the program for the player with NO Refunds.

Penalties for cheating will be as follows, depending on the severity of the situation:

- 1.) Immediate disqualification from event and notification to parents of the situation,
- 2.) Removal from next event with no refund or
- 3.) Removal from the Gateway Junior PGA Program, with no refund.

Dress Code

Proper attire is required at all tournaments, events and/or functions. The dress code prohibits shoes with metal spikes, short shorts (fingertips must touch bottom of short or skirt), halter tops, shirts exposing mid riffs, tank tops, T-shirts, gym shorts, and all denim. (No visible body piercing is permitted; however, girls may wear earrings.) All hats must be worn properly, bill forward; collared shirts must be worn and tucked in (girls may wear shirts without collars if the shirt is part of a coordinated outfit). Any violation of this rule results in either disqualification or the junior not being allowed to participate until he/she has met the above regulations. Spectators at private clubs must adhere to player dress code policy. If not in proper attire, spectators may not follow the golfers and must leave the facility.

Gateway PGA Junior Tour Tournament Rules

The USGA Rules of Golf govern play for all Gateway PGA Junior Tour Events

A Gateway PGA Starting Official will give specific announcements and local rulings on the first tee at each event. It is crucial that players give their undivided attention to these announcements. Players will also be given a Notice to Competitors sheet on the first tee at every event. Players should reference their NTC for common and local rulings.

The following rules are included as reminders or are specific rules to the Junior Tour. These rules will be implemented and followed at every Gateway PGA Junior event.

Distance Measuring Devices

During any Gateway Junior PGA Event, a player may obtain distance information by using a competition conforming yardage device. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions such as, slope or wind speed, that player is in breach of Rule 14-3, and will be disqualified.

A player may share yardage that they measure with fellow players in their group, as yardage is public information and NOT advice. Cellphones or any other electronic communication devices that are not solely designed for measuring yardage are prohibited. The use of such items will result in disqualification.

Conforming Driver Heads, Clubs, and Golf Balls

List of conforming Driver Heads— A player must play with a driver that is listed on the current conforming Driver Heads issued by the USGA

List of conforming Golf Ball- A player must play with a ball that is listed on the List of Conforming Golf Balls issued by the USGA

One Ball Rule- will not be in effect for Gateway Junior PGA tournaments.

Pace of Play Policy/Guidelines

USGA Rules of Golf state: "The player shall play without undue delay and in accordance with any pace of play guidelines which the Committee may establish. Between completion of a hole and playing from the next teeing ground, the player shall not unduly delay play."

Note 1: If the player unduly delays play between holes, he is delaying the play of the next hole and the penalty applies to that hole.

Note 2: For the purpose of preventing slow play, the Committee may, in the condition of a competition (Rule 5.6) lay down pace of play guidelines including maximum periods of time allowed to complete a stipulated round, a hole or a stroke.

The Gateway PGA Junior Golf Tour does not wish to apply penalties for undue delay. However, we require that, in the interest of all, that pace of play be reasonable.

We believe that, it would be reasonable for a group of three (3) players to take 15 minutes, on average, per hole. Meaning an **18-hole round should be completed in less than 4 hours and 30 minutes** and a **9-hole round should be completed in less than 2 hours and 15 minutes**.

A group/competitor is considered out of position if at any point in the round:

- A group falls behind allotted time for holes already play, and;
- A group falls behind more than 14:59 to the group in front of them.
- A player is taking more than the allotted time to play a stroke (40 sec from the time you arrive at your ball).

When a group is out of position the following will occur:

- 1) Group will be approached and discuss why group is behind
- 2) If a group falls behind more than 14:59 to the group in front of them, a PACE OF PLAY warning sign will be placed on the group's next tee box. **That group will have THREE holes to catch up with the group in front of them.**
- 3) If the group is unable to regain proper position, EACH player in the group will be assessed a **one-stroke penalty**.
- 4) Next violation a **two-stroke penalty** will be given to EACH player in the group.
- 5) Any further violation will result in disqualification (DQ)

Gateway PGA Junior Golf Tour monitors the Pace of Play of all groups. Your cooperation is required. If all competitors will cooperate, each event will be a more pleasant experience for everyone.

Pace of Play Tips:

1. Our goal is to educate and inform our members on ways to continually improve pace of play. We realize that there are many factors that can affect the pace of play on any given day, however the bottom line is that slow play affects not only the players in the tournament, but it also affects the Gateway PGA Junior Golf Tour Staff, the host facility and parents of the players. Play "ready" Golf. This is where order of play is based on who's ready, not on who's away.

2. Place your bag across from you, not behind you when you get to your next shot.
3. Members of a group should not travel as a pack, with all members walking together to the first ball, then the second, and so on. Each member of the group should walk directly to his own ball.
4. Use the time you spend getting to your ball to think about the next shot - the yardage, and club selection. When you reach your ball you'll then need less time to figure out the shot.
5. If you are unsure whether your ball has come to rest out of bounds, or may be lost, immediately hit a provisional ball so that you won't have to return to the spot to replay the shot.
6. Begin reading the green and lining up putts as soon as you reach the green. Don't wait until it's your turn to putt to start the process of reading the green. Do it as soon as you reach the green so that when it's your turn you can step right up and putt.
7. Never delay making a stroke because you're having a conversation with a playing partner. Put the conversation on hold; make your stroke, then pick up the conversation again.
8. After putting out, don't stand around the green chatting or take any practice putting strokes. Leave the green quickly so the group behind can play.

3 Minute Search Period (Rule 18):

A player is allowed three minutes to search for his or her ball before it becomes *lost*. The three minutes begins when that player arrives in the search area (player partners and spectators may search prior to the player arriving). The ball is lost when the search time elapses, even if the player finds their ball after the three minutes.

*All players within a group are encouraged to practice good golf etiquette and help spot one another balls throughout the round.

*Spectators are encouraged to walk ahead of the group (safely) to help spot and search for balls.

Rule 20.1c(3)

In stroke play, if a player is doubtful of his rights or the correct procedure during the play of a hole, he may, without penalty, complete the hole with two balls. The player must announce to his group that they are going to play two balls and which ball he wishes to count if the rules permit. The players must report the facts of the situation to the GATEWAY PGA Staff before returning his score card. If the player does not report the situation they will be disqualified.

Transporting Players

Any player who accepts any form of transportation during a tournament round will be given a [2-stroke penalty](#). The only time a player may accept transportation is when the Tournament Committee authorizes them to do so.

Starting Times and Groups (Rule 5.3a)

A player must start at the time established by the Committee. IF the player arrives at his starting point, ready to play, within five minutes after his starting time, the penalty for failure to start on time is two strokes. If a player arrives five minutes after his starting time, then they are disqualified. (There is no exception for traffic, construction, going to the wrong golf course, or not waking up on time).

Groups: Players must remain throughout the round in the group they began the round with. Unless authorized to change by the Gateway Junior PGA Staff. **Penalty: [Disqualification \(DQ\)](#)**

Suspension of Play for a Dangerous Reason (5.3b(1))

A suspension for a dangerous situation shall be signaled by one prolonged horn blast.

When play is suspended for a dangerous situation, i.e., lightning, tornado, etc. if the players groups are between the play of two holes, they shall NOT resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, they must discontinue play immediately and shall not there after resume play until the Committee has ordered a resumption of play. Players should MARK their balls before proceeding to safety.

Spectators, in this situation, may transport players to safety. All practice areas are closed during suspension for a dangerous situation until the Committee has declared them open for use.

Penalty: [Disqualification \(DQ\)](#)

Along with severe weather, temperature plays a role in whether a tournament will be conducted. If the forecast permits the Junior Program Staff, Committee, and facility staff will be in communication about playable conditions. There are multiple variables when considering playable temperature (precipitation, wind, cloud cover). **The Junior Golf Committee reserves the right to cancel any event in the interest of safety for junior competitors.**

Scoring Area

A player is to report immediately to the scoring area after their round is completed. At this time players must sit down, check their hole by hole scores, report any rulings or questions, and sign their scorecards. Absolutely no alteration can be made once a player leaves the scoring area. The scoring area will be defined by rope or tape. In situations when rope or tape is not present, the scoring table and chairs will define the scoring area.

A player is deemed to have left the scoring area when they have either:

- 1.) Stepped out of the area with both feet (**or**)
- 2.) Left their chair at the scoring table.

Penalties for Disqualification (DQ) of a player may include:

- Signing for a lower score than the player shot
- Not having two signatures on the score card
- Not reporting a rules infraction to the committee.

If a number is not legible on a scorecard, and a player has left the scoring area, then the player is subject to the score the Committee infers the number to be. To avoid this:

- Use Mobile Scoring
- If your group is unable to use mobile scoring:
 - Make sure all numbers are neatly written and bold.
 - If you must scratch out and change a score, write the correct score above or below the box and have your marker initial by the number.
- Stay seated until the Gateway PGA Staff member has verbalized your total score back to you.

Players are strongly encouraged to take their time in the scoring area. Players are welcome to take as much time as needed to verify that their score are correct. The entire group should remain in the scoring area until all the players of that group have attested for their scores.

PARENTS AND SPECTATORS ARE NEVER TO BE PRESENT IN THE SCORING AREA UNLESS AUTHORIZED TO DO SO, BY A GATEWAY JUNIOR PGA STAFF MEMBER. ANY VIOLATION OF THIS WILL RESULT IN THAT INDIVIDUAL BEING BANNED FROM ALL GATEWAY PGA JUNIOR TOUR EVENTS.

Mobile Scoring

Golf Genius Mobile Scoring will be used for all Gateway PGA Junior Tour tournaments. All players with mobile devices should download the Golf Genius App (orange icon) onto their device prior to arriving at an event. One player in each group will be asked to enter the group's hole by hole scores into the Golf Genius app throughout the round. Players will still be provided a physical scorecard to record their fellow competitors and own scores. Scores entered in the mobile scoring app are not final until players have finalized their scores in the Scoring Area following completion of their round.

The player assigned to be the mobile score keeper for the groups may not use their mobile device for any other reason than entering their group's scores. The use of a cell phone during a round for any other reason may result in the player being penalized or disqualified (depending on the player's use and at the decision of the tournament committee).

Parents/Spectators **MAY NOT** keep or help keep mobile scoring for the group – except for parent caddies in the 9 Hole 11 & Under divisions and Junior Development Tour Divisions. Accommodations will be made for players who do not have a mobile device.

Mobile Scoring Instructions:

1. Go to your app store on your Android or iPhone. Search "Golf Genius".
2. Download the app (orange icon).

Awards and Ties

At the conclusion of each event, medals will be awarded in each age group for 1st, 2nd, and 3rd places.

In the case of ties,

- **9 Hole Events:** matching cards we will determine the winner based on the best score for holes 4-9, then holes 7-9, then hole 9, and finally hole by hole going backwards starting with hole 9.
- **18 Hole Events:** matching cards we will determine the winner based on the best score for holes 10-18, holes 13-18, holes 16-18, the 18th hole, and finally hole by hole going backwards starting with hole 18.
- **2-Day Events:**
 - **1st Place & Overall Winner Ties:** A playoff will be conducted for all players within the respective division tied for 1st place. If the players are still tied after the 1st play-off hole, they will continue to the next hole, and so on, until a winner has emerged. (The playoff hole order of play will be decided by the facility & GPGA Junior Tour Staff).
 - **2nd & 3rd Place Ties :** Matching cards we will determine the winner based on the best 18-hole score for Round 2. If still tied, the winner will be based on the best score of Round 2 for holes 10-18, then holes 13-18, then holes 16-18, then hole 18, and finally hole by hole going backwards starting with hole 18.

There are additional tournaments throughout the season in which a playoff will be used to determine medalist ties (example: qualifiers and championships). This information can be found on the Notice to Competitors for that event.

Gateway Junior PGA Player of the Year Competitions

The top ten finishers in each division at every tournament will be awarded points. The Player of the Year will be determined by total points, from player's top 7 finishes (4 for the Tour division). Once the season finishes, the Player of the Year is awarded to the boy and girl in each division with the most points. If there is a tie for Player of the Year, the next best finish outside the 7 counted, will be the tie breaker.

Throughout the season, the accumulation of points will count toward the Championship Tournament at the end of the season. Invitations to this tournament will be given based on number of points. At the Championship tournament, the top ten finishers will be awarded double points.

The juniors winning player of the year titles will be awarded at the end of the season at the Gateway Junior PGA Award Banquet. They will also be invited to the Annual Gateway PGA Section Awards in December where they will be recognized by Gateway Section PGA Professionals and will have the opportunity to sit on the awards stage for a brief Youth Q&A forum.

The Junior Development Tour does not have a Player of the Year Competition.
